ZMNH - SEMINAR

Topic: **Proteome-aided Characterization
of Novel Mechanisms at
Immunological Synapses**

Speaker: **Prof. Dr. Lothar Jänsch**
Research group Cellular Proteomics
Helmholtz Centre for Infection Research
Braunschweig
https://www.helmholtz-hzi.de/en/research/research_topics/immune_response/cellular_proteom_research/lothar_jaensch/

Date: **Wednesday, March 1, 2017**
11:00 am

Place: **ZMNH**
Center for Molecular Neurobiology
Falkenried 94, 20251 Hamburg
Lecture room (ground floor)

Host: **Prof. Dr. Manuel Friese**
